Camping on the Georgetown College Campus Reservations Required!

The Horsey Hundred offers limited RV and tent camping on the Georgetown College campus. Spots were reserved as part of the registration process, and both lodging options sold out several weeks ago. If you reserved a spot, look for an e-mail from us with check-in details.

Please know that we limit these offerings to make sure that the facilities available can safely and comfortably accommodate our campers. If you did not reserve a spot **PLEASE** do not plan on, or try to pitch a tent or park a trailer on campus.

If you have a reservation, you will receive a tag that must be displayed on the outside of your camper or tent, and those without tags will be asked to leave. We can't allow "just one more" to squeeze in - it simply isn't fair to those who reserved spots - Please respect our process, and don't put us in the position of having to ask you to leave!
