

**Horsey Hundred
News to Use #3
May 17, 2024**

In this edition:

- **Meal Survey**
- **Information about Charles Brooking Park**
- **Rest stop food**
- **Expo vendors**
- **Saturday evening party on the Square**
- **More information about Friday rides**
- **Information for tandem riders**
- **Camping information**

Meal Survey

In order to help our caterers plan, and to ensure that we have enough food but that we don't waste food, please complete [this short two question survey](#) about our main courses on Saturday and Sunday. Please do not complete the form more than once!

Information about Charles Brooking Park

This year, we are pleased to host you at Charles Brooking Park! The Park will be a familiar place to those of you who joined us in 2021 (hopefully we will not be repeating that year's weather). While the venue has changed this year, we will be offering everything over the course of the weekend you've grown accustomed to at Georgetown College, and more!

Showers - Post ride showers are available approximately 2.5 miles from the park at the Georgetown-Scott County Parks and Recreation Pavilion at a cost of \$5.00. Hours of operation are 7am-9pm on Friday, 7am-7pm on Saturday, and 12 pm – 6 pm on Sunday (see link below for more information about the Pavilion).

Parking –

- Friday parking will be available at the park in the marked areas, and across the street at the Scott County High School and Middle School.
- Because we care for the safety of our participants, **THERE WILL BE NO CAR PARKING ON PARK GROUNDS SATURDAY AND SUNDAY!** Parking will be available on these days at the High School and Middle School across the street, and at Anne Mason Elementary and Royal Springs Middle School, located approximately a half mile from the park.

Useful links for additional information about the parks and the Pavilion:

<https://gscparks.com/facilities/the-pavilion/>

<https://gscparks.com/parks/scott-county-community-park/> (where camping will be located)

Rest Stop Food

Our goal with rest stop food is to provide you with what you need to finish and enjoy your ride. We won't have everything that everyone wants -- there are so many of you, with a wide variety of

appetites! But we will have what you need to get you through.

Please plan to eat a good breakfast before you begin your ride and drink plenty of fluids leading up to the event. Temperatures could be in the 80's, and proper nutrition and hydration are vital!! Finally, if you have special dietary needs or allergies to some foods, PLEASE plan to carry what you need with you.

Once you embark on your ride, there will be a variety of items at our rest stops. To help you better plan, the following is a listing of what will be available (note that not all rest stops will have all items):

- **Hydration** - All rest stops on both days will have water, ice and Gatorade available. Note that we have new dispensing nozzles on most coolers to avoid riders having to touch them with their fingers. You only need to press your bottle against a dispensing bar. We will also have cups available if needed.
- **Finish Line** - We will have chocolate milk near the finish line both days.
- **Variety of Foods** –
 - Fruit, including bananas, apples, and oranges
 - Salty foods, including assorted potato chips, pretzels, Cheetos, chex mix, trail mix, goldfish, and nuts
 - Other options, including Uncrustables, cookies, nabs, granola bars, rice Krispy treats, pickle spears, pickle juice, fig newtons, fruit snacks, and Slim Jims.
 - Enhanced stop – For our riders on the longest routes, the Versailles rest stop will also have ham and turkey sandwiches on Hawaiian rolls, wraps, stuffed pitas. In addition, there will be bacon and egg croissants and sausage and egg croissants available early in limited quantities.
 - Ice Cream Floats! On Saturday, at your final rest stop, we will have ice cream floats!

Vendor Expo

Our Bluegrass Cycling Club store will once again be featured as part of our Vendor Expo. We will have limited quantities of event jerseys, event socks, cycling caps sun sleeves, tee shirts and hoodies with our newly designed Horsey Hundred logo for sale at the store, along with very attractive pricing on items left from past events.

The Expo will be open on **Friday from 2 pm – 10 pm** and the BCC store and some vendors will also be open on Saturday from **6 am – 10 am** and **1 pm – 5pm** and on Sunday from **9 am – 2 pm**.

Vendors include the following (and you should check with the vendor on Friday if you want to make a purchase later in the weekend to make sure they will be there):

- Bee-Hind Honey
 - Capital Bikes
 - Peak 1 Sports
 - Janice's Sunglasses
 - Bicycle Tour Vacations
 - Radical Custom Cycling Apparel
 - Horsey Hundred Store
 - The Recovery Room
 - Massage- Therapy in Motion
 - Too Cool Shirt Quilts
 - Trillium Health and Restoration
 - Georgetown Tourism
 - Limestone Distillery Horsey Hundred Bourbon
 - BCC and Philanthropy Exhibit
 - People Cycling
 - Pedal Power
 - Tammy's Topicals
 - Bruce Frisbee Johnson
 - Margaret Noel Robinson
 - Hidden Strength- Chiropractic and Performance

Party on the Square on Saturday Evening

Strap on your dancing shoes for a lively evening with [Players Club](#) live at Downtown Georgetown's Historic Mainstreet on **May 25, 7-10 pm**. Join us as we celebrate National Travel and Tourism Week and Georgetown/Scott County Tourism's 50th Birthday Bash! This fantastic night will be filled with great music, delicious food from local eateries, and various food and beer vendors. The event promises fun for the whole family, exciting prize drawings for Horsey Hundred participants, and unique attractions, including stilt walkers, jugglers, a photo booth, the Lego Mobile Party, and the Hat Bar! Mark your calendar for an unforgettable night at 100 Court St, Georgetown. Don't miss out on this spectacular celebration!

Friday Ride Information

(See separate information for the Friday tandem ride below – it will begin from a different location)

We have two Friday routes starting from King's Way Church at 4175 Lexington Rd, Versailles, KY 40383 (at the corner of Lexington Rd and Shannon Run Rd).

We have 2 scenic routes, 24 miles and 33 miles, amid rolling hills, historical landmarks, and working farms. Start any time between 9 and 3; the goal is to have everyone back by 5-5:30. We will have limited SAG support available until 5. Maps/cue sheets can be found at the start location, or on our website for download. The roads will be marked as well. We have no rest stops on this ride, but there is a store stop on the route if needed.

Please be considerate and come dressed to ride. We have limited restroom availability, and at peak times someone changing clothes could hold up the line.

The Horsey Hundred Trifecta

The Horsey Hundred is officially a two-day event, occurring on Saturday and Sunday, but in 2013, we started offering "bonus" rides on Friday for people who want to arrive early and see more of the Bluegrass. In 2018 we decided to offer the Trifecta Challenge as an added incentive to those that might consider riding three consecutive days. To get started on your challenge, you'll need to pick up your Trifecta wristband at King's Way Church on Friday and sign the rider waiver or sign in on the sheet at the tandem ride on Friday. Ride all three days and you've earned your Trifecta pin. Following your ride on Sunday, present your Trifecta wristband at the tent near the finish line to pick up your pin, or if you did the tandem ride, they will have the sheet where you signed in on Friday. We have Trifecta pins ready for the first 500 who take on the challenge.

Information for Tandem Teams – Friday ride and Saturday mass start

Friday Tandem ride with mass start will begin at 1 pm at the Legacy Trailhead <https://horseyhundred.com/tandem-ride/>.

The single bikes start at a different location, so make sure you come to ours! If you cannot make the group start, please feel free to start at any time the course is open. The Friday route with SAG is open from 1 PM to 4 PM, and all tandem riders are strongly advised to start no later than 2 PM.

The colors for the tandem route markings are pink and purple. Pink is for the longer route and purple is for the shorter route. You can see these colors at the link above for the tandem routes. The routes will be marked with an arrow and a **T**.

Port A Potties and water will be available at the start. For cue sheets, elevation, and other route information, use the link above. The SAG number is (502) 319-7065.

Suzi and Arnd will provide a pre-ride briefing at 12:45 pm on Friday. They will send out an email to all tandem teams with any other additional information by Wednesday, May 25th.

Tandem teams participating in the trifecta – Be sure to sign in and out on the provided sheet for the tandem ride on Friday. The trifecta check in table at the finish line on Sunday will have that sheet and will provide you with your pin when you check in (Note – there are a total of 500 pins available).

There will be an opportunity to socialize with other tandem teams after the ride on Friday, so bring a change of clothes. Light snacks will be provided.

The mass start for tandem teams is at 8 AM on Saturday from the start/finish line.

Information About Camping

- **ALL RV SITES HAVE BEEN RESERVED AND THERE WILL BE NO ADDITIONAL ROOM FOR RVS OR OTHER CAMPERS THAT ARE NOT TENTS IN THE PARK, SO IF YOU DO NOT HAVE A RESERVATION, PLEASE DO NOT SHOW UP WITH AN RV, CAMPER, CAMPER VAN, OR ANY OTHER CAMPING VEHICLE.**
- **Camping at the park is permitted only on the nights of Friday, May 24 and Saturday, May 25, so please do not arrive with plans to camp before or after these dates.**
- **Campers can arrive anytime after 9 am on Friday, May 24 and can go directly to Scott County Park to set up (see the map below for where to go in the park. The park is located across the road from Charles Brooking Park)**
- **If you have questions about RV or tent camping, contact Bryan Williams at <mailto:bwilliams@w-i-t-s.com> or (704)- 763-3313.**

As a reminder, these camping accommodations are primitive, and there are no water, sewer, or electric hookups for RVs and there is limited availability of water and electricity in general, so all campers should plan accordingly.

We will have a designated area for the RVs to park and plenty of room for you to setup your desired relaxation area. For the tent campers, there's a designated parking area for you along with a magnificent field to set up your camp site. You should be able to find a very suitable location on the grassy field. There will be a couple trash cans located on the grounds for easy disposal of trash. Restrooms will be located just off the tent camping area in front of the barn. Reference our map for a more detailed layout of the RV/Camping area.

Showers are available at the Pavilion, a facility operated by Scott County Parks and Recreation about 2.5 miles from Scott County Community Park. The fee to use the showers is \$5 each use. Hours of operation are 7am-9pm on Friday, 7am-7pm on Saturday, and 12 pm – 6 pm on Sunday.

Key notes:

- Please be respectful of your fellow campers and keep the noise to a minimum.
- For more detailed information, please visit the [Horsey Hundred Camping and RV](#) web page.
- RV Campers – Bryan Williams, camping coordinator, will be reaching out to you this week to get the type of RV you will be bringing in for the event.
